Registrar
World University of Bangladesh
Sector: 17/H, Uttara, Dhaka - 1230

Subject: Application for the Position of “Lecturer” in the Department of Computer Science and Engineering (CSE)

Dear Sir,

In response to your job advertisement published on bdjobs dated March 24, 2025, I would like to introduce myself as a candidate who possesses the skills and qualifications to contribute significantly to your esteemed organization.

I completed my B.Sc. in Computer Science and Engineering from the International University of Business Agriculture and Technology (IUBAT), and I am currently pursuing my M.Sc. in Computer Science from Jahangirnagar University. I believe that my strong interest in the teaching profession, solid academic foundation, and effective communication skills make me a suitable candidate for the position of Lecturer at your university.

In addition to my academic background, I have two years of hands-on experience working as a software programmer in the industry. This professional experience has given me valuable insights into current technologies, tools, and best practices in software development. I am confident that this practical exposure will help me guide students to better understand industry-relevant concepts and prepare them for real-world challenges in the job market.

My strong initiative, exceptional organizational skills, and ability to work well under pressure allow me to play a crucial role in a fast-paced teaching environment. Furthermore, with the ability to simplify lesson plans in line with specific curriculum objectives, I believe I will immediately make a noticeable impact on your university's educational standards.

Enclosed are my curriculum vitae, a cover letter, all academic certificates, and transcripts for your further consideration. I welcome the opportunity to discuss how my skills and strengths can best serve your institution.

Sincerely,

Aulad Hossen
